Christmas Carol Medley

Ding Dong! Merrily on high
In heav'n the bells are ringing
Ding, dong! Verily the sky
Is riv'n with angel singing
Gloria, Hosanna in excelsis
Gloria, Hosanna in excelsis

Hark! the herald angels sing,
Glory to the new-born King!

Deck the halls with boughs of holly,
Fa la la la la, la la la la.

Tis the season to be jolly,
Fa la la la la, la la la la.

Don we now our gay apparel,
Fa la la la la, la la la la.

Troll the ancient Yuletide carol,
See the blazing Yule before us,
Strike the harp and join the chorus
Strike the harp and join the chorus

NARRATION: *"In the cold streets of the city, kindness still found its way. The gas lamps flickered, the shops glowed, and wishes of Merry Christmas! filled the air – with the spirit of Christmas warming the city's heart."*

Deck the halls with boughs of holly
Tis the season to be jolly.

On the first day of Christmas,
My true love sent to me

A partridge.

We wish you a Merry Christmas,
We wish you a Merry Christmas,
We wish you a Merry Christmas, and
A Happy New Year!

So bring us some figgy pudding,
So bring us some figgy pudding,
So bring us some figgy pudding, and
A cup of good cheer!

We won't go until we've got some,
We won't go until we've got some,
We won't go until we've got some,
So bring some out here!

We wish you a Merry Christmas,
We wish you a Merry Christmas,
We wish you a Merry Christmas,
We wish you a Merry Christmas!

Good tidings we bring to you and your kin,
We wish you a Merry Christmas and
A Happy New Year!

Good tidings we bring to you and your kin,
We wish you a Merry Christmas and
A Happy New, Happy New,
Happy New Happy New –

Hark! the herald angels sing,
Glory to the new-born King!

Gloria in excelsis Deo
Gloria in excelsis Deo

On the first day of Christmas,
My true love sent to me
Glory to the new-born King!

Gloria!

“We Need A Little Christmas”

by Jerry Herman. Broadway arrangement by Larry Moore.

Haul out the holly
Put up the tree before
My spirit falls again

Fill up the stocking
I may be rushing things
But deck the halls again now

For we need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet
Yes, we need a little Christmas
Right this very minute
It hasn't snowed a single flurry
But Santa, dear, we're in a hurry

So climb down the chimney
Put up the brightest string
Of lights I've ever seen

Slice up the fruitcake
It's time we hung some tinsel
On that evergreen bough

For I've grown a little leaner
Grown a little colder
Grown a little sadder
Grown a little older
And I need a little angel
Sitting on my shoulder
Need a little Christmas now

Haul out the holly
Haven't I taught you well
To live each living day?

Fill up the stocking
Because you know that Christmas
Day is not far away now!

So we need a little Christmas
Right this very minute
Candles in the window
Carols at the spinet
Yes, we need a little Christmas
Right this very minute
It hasn't snowed a single flurry
But Santa, dear, we're in a hurry

So climb down the chimney
It's been a long time since I
Felt good neighbor-y

Slice up the fruitcake
It's time we hung some tinsel
On that bayberry bough

For we need a little music
Need a little laughter
Need a little singing
Ringing through the rafter
And we need a little snappy
'Happy ever after'
Need a little Christmas now

Need a little Christmas now!

“Jingle Bell Rock”

by Joe Beal and Jim Boothe, arranged by Ernie Freeman

Jingle bell, jingle bell, jingle bell rock
Jingle bells swing and jingle bells ring
Snowin' and blowin' up bushels of fun
Now the jingle hop has begun

Jingle bell, jingle bell, jingle bell rock
Jingle bells chime in jingle bell time
Dancin' and prancin' in Jingle Bell Square
In the frosty air

What a bright time, it's the right time
To rock the night away
Jingle bell time is a swell time
To go glidin' in a one-horse sleigh

Giddy-up jingle horse, pick up your feet
Jingle around the clock
Mix and a-mingle in the jinglin' feet
That's the jingle bell rock

“Sleigh Ride”

Jingle Bells, by James Pierpont (1822 – 1893), arranged by Kay Thompson and Johnny Mandel.

Bring out the bells, those Christmas bells
Bring out the bells, those Christmas bells

Come on, we're going for a sleigh ride
Christmas time is here again
Come on, we're going for a sleigh ride
To spread the cheer again

From the top of the chimney to the top of the wall
Dash away, dash away, dash away all

[Dance Break]

Jingle bells, jingle bells, jingle all the way
Oh what fun it is to ride in a one horse open sleigh
Jingle bells, jingle bells –
Oh what fun it is to ride in a one horse open sleigh

Old Saint Nick, he's gonna take a flight
The moon is shining bright
Bring out the bells!
Old Saint Nick will ride through the sky
You should see these reindeer fly

Ring the bells and hear the pretty bells chime

Come on, we're going for a sleigh ride
Christmas time is here again
Come on, we're going for a sleigh ride
To spread the cheer again

Jingle bells, jingle bells, jingle all the way
Oh what fun it is to ride in a one horse open sleigh, hey
Jingle bells, jingle bells, jingle all the way
What fun it is to ride in a one horse open sleigh

Bring out the bells, those Christmas bells!

“When You Wish Upon A Star”

Music by Leigh Harline, Lyrics by Ned Washington.

When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you

If your heart is in your dream
No request is too extreme
When you wish upon a star
As dreamers do

Fate is kind
She brings to those who love
The sweet fulfillment of
Their secret longing

Like a bolt out of the blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true

Somewhere In My Memory

Music by Leigh Harline, Lyrics by Ned Washington.

Candles in the window
Shadows painting the ceiling
Gazing at the fire glow
Feeling that gingerbread feeling

Precious moments, special people
Happy faces, I can see

Somewhere in my memory
Christmas joys all around me
Living in my memory
All of the music, all of the magic
All of the family, home here with mert desires
Will come to you

La la la la la la
La a la

Precious moments, special people
Happy faces, I can see

Somewhere in my memory
Christmas joys all around me
Living in my memory
All of the music, all of the magic
All of the family, home here with mert desires
Will come to you

“Finale Medley”

All I Want For Christmas Is You by Mariah Carey and Walter Afanasieff.

Merry Christmas Everybody by Slade.

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents
Underneath the Christmas tree

I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you

I don't want a lot for Christmas
There is just one thing I need *(and I)*
Don't care about the presents
Underneath the Christmas tree

I don't need to hang my stocking
There upon the fireplace
Santa Claus won't make me happy
With a toy on Christmas Day

I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you
You, baby

Oh, I won't ask for much this Christmas
I won't even wish for snow *(and I)*
I'm just gonna keep on waiting

Underneath the mistletoe
I won't make a list and send it
To the North Pole for Saint Nick
I won't even stay awake
To hear those magic reindeer click

'Cause I just want you here tonight
Holding on to me so tight
What more can I do?
Oh, baby, all I want for Christmas is you
You, baby

Are you hanging up your stocking on your wall?
It's the time when every Santa has a ball
Does he ride a red nosed reindeer?
Does a ton-up on his sleigh?
Do the fairies keep him sober for a day?

So here it is, Merry Christmas
Everybody's having fun
Look to the future now
It's only just begun

Are you waiting for the family to arrive?
Are you sure you got the room to spare inside?
Does your granny always tell ya
That the old songs are the best?
Then she's up and rock 'n' rolling with the rest

So here it is, Merry Christmas
Everybody's having fun
Look to the future now
It's only just begun

The Christmas Song

by Mel Tormé and Robert Wells

Chestnuts roasting on an open fire
Jack Frost nipping at your nose
Yuletide carols being sung by a choir
And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe
Help to make the season bright
Tiny tots with their eyes all aglow
Will find it hard to sleep tonight

They know that Santa's on his way
He's loaded lots of toys and goodies on his sleigh
And every mother's child is gonna spy
To see if reindeers really know how to fly

And so I'm offering this simple phrase
To kids from one to ninety-two
Although it's been said many times, many ways
Merry Christmas to you

They know that Santa's on his way
He's loaded lots of toys and goodies on his sleigh
And every mother's child is gonna spy
To see if reindeers really know how to fly

And so I'm offering this simple phrase
To kids from one to ninety-two
Although it's been said many times, many ways
Merry Christmas to you

It's The Most Wonderful Time Of The Year

by Edward Pola and George Wyle.

It's the most wonderful time of the year
With the kids jingle-belling
And everyone telling you, "Be of good cheer"
It's the most wonderful time of the year

It's the hap-happiest season of all
With those holiday greetings
And gay happy meetings when friends come to call
It's the hap-happiest season of all

There'll be parties for hosting
Marshmallows for toasting
And caroling out in the snow

There'll be scary ghost stories
And tales of the glories
Of Christmases long, long ago

It's the most wonderful time of the year
There'll be much mistletoeing
And hearts will be glowing when loved ones are near
It's the most wonderful time of the year
